Address: Mansoura, Egypt

Objective

an Ambitious and detail-oriented pharmacy graduate (Class of 2023) with solid experience in pharmaceutical operations, patient care, and medication management. Possessing a strong foundation in healthcare and a keen interest in the medical devices industry, I aim to leverage my clinical knowledge and dedication to quality in a dynamic role within the medical devices sector. Committed to driving innovation and improving patient outcomes through cutting-edge medical solutions.

Work Experience

Molnlycke | Product Specialist

- **06/2025 – Current**
 - Promote and present the company's pharmaceutical products to healthcare professionals (doctors, pharmacists, and hospitals).
 - Build and maintain strong professional relationships with key customers and healthcare providers.
 - Achieve monthly and quarterly sales targets within the assigned territory.
 - Conduct regular visits to clinics, hospitals, and pharmacies to increase product awareness.
 - Organize and participate in marketing activities, conferences, and workshops.
 - Monitor competitors' activities and market trends to provide feedback to the marketing team.
 - Ensure accurate reporting of daily visits, sales performance, and market feedback.
 - Collaborate with cross-functional teams (marketing, sales, and logistics) to ensure smooth operations.

Marcyrl | Medical Sales Representative

- **03/2025 – 05/2025**
 - Promote and sell pharmaceutical products to doctors, pharmacists, and healthcare providers.
 - Build and maintain strong, long-term relationships with healthcare professionals.
 - Organize appointments and meetings with medical staff (e.g., doctors, pharmacists, hospital medical teams).
 - Deliver product presentations and demonstrations to highlight product benefits.
 - Monitor market trends, competitor activities, and customer feedback.
 - Provide detailed reports on call activities, sales performance, and market intelligence.
 - Stay updated with the latest medical and product knowledge to answer customer queries accurately.
 - Ensure compliance with regulatory requirements and ethical standards.

El Bazat Pharmacy | Pharmacist

- **05/2023 – 02/2025**
 - Dispensed medications accurately while ensuring compliance with prescriptions and regulatory standards.
 - Managed inventory, ensuring adequate stock levels of medications and timely ordering of supplies.
 - Monitored and maintained storage conditions to preserve medication efficacy.
 - Assisted patients in understanding drug interactions and adherence to treatment plans.
 - Addressed patient inquiries and resolved concerns regarding prescriptions and over-the-counter medications.
